## **ECSOD PERFORM**

ECSOD's Performance Team is designed to give passionate dancers, age 7 & up, the opportunity to build confidence through performing with a strong focus on teamwork and having fun! Dancers can choose 1 style or multiple with classes offered in Jazz, Hip Hop, Lyrical, Tap, Musical Theatre, Contemporary, and Ballet. Perform dancers are also required to participate in a production routine, which is a number including all of our Perform dancers. Solos, duets, and trios can also be added.

## **PERFORMANCES & COMPETITIONS**

Perform dancers participate in community performances in addition to 1 competition in the spring. Dancers are also required to perform in our Winter and Spring Shows.

## **TIME COMMITMENT**

Perform classes meet once per week for 45 minutes each. Production/Technique class is an additional 30 minute class. Each individual's time commitment will vary depending on how many styles they choose to be in. Solos, duets, and trios meet every other week for 30 minutes.

## **COST**

Cost will vary depending on the number of routines you choose to participate in. On top of your tuition, there are additional costs associated with Perform including costume fees, competition entrance fees, makeup, accessories, and an optional warm-up jacket. Many of these costs are pro-rated and included in your monthly fees.
